Campus Hazing Transparency Report (CHTR)

Reporting Period: July 1, 2025 – December 23rd, 2025

Published: December 23rd, 2025

Person Responsible: Dean of College Services / Anti-Hazing Coordinator/Title IX Coordinator

Introduction

This Campus Hazing Transparency Report is published in accordance with the Stop Campus Hazing Act and VFMC's Anti-Hazing Policy. It summarizes substantiated hazing violations involving students or student organizations. The purpose of this report is to promote transparency, accountability, and student safety. No substantiated hazing incidents occurred during this period.

Summary of Substantiated Hazing Incidents

No hazing incidents were reported or substantiated during this reporting period for any VFMC organization.

Organization/Group Name	Reported Hazing Incidents
Club Sport- BJJ	No reported incidents
Club Sport-Cross Country	No reported incidents
Club Sport-Wrestling	No reported incidents
Club Sport-Rugby	No reported incidents
Corps of Cadets	No reported incidents
ROTC	No reported incidents
Band	No reported incidents

Prevention & Education Activities

During this reporting period, VFMC implemented the following prevention strategies and training programs in accordance with the Anti-Hazing Policy and federal requirements:

- Mandatory anti-hazing training for all students, cadets, faculty, and organization leaders.
- Integration of hazing education into new student orientation programs.

- Bystander intervention training to equip community members with tools to prevent hazing.
- Distribution of the Anti-Hazing Policy and reporting procedures at the start of each semester.
- Confidential and anonymous reporting mechanisms through the Title IX & Hazing portal.
- Campus-wide awareness campaigns including posters, briefings, and leadership education.

Reporting and Compliance Notes

Hazing reports may be submitted via the online reporting portal, direct email, or anonymously. All reports are tracked for inclusion in this biannual report and retained for a minimum of five years in accordance with federal transparency laws.
